The Year of the Cat!

The 1987-1988 school year was one full of spirit. The "Year of the Cat" was the theme that was begun by our cheerleaders and was carried throughout the year by the student body, sports teams, and staff.

"Spirit Week," pep assemblies, and green and white dances all helped the Bobcats, spirits climb. "Year of the Cat" pins, ALF pins and all kinds of green and white paraphernalia were sold during the year. A wide variety of shirts, letting the world know we are Bobcats, were sold also. The gymnasium was painted with large green paw prints by student volunteers during their Thanksgiving vacation. The hall walls came alive with brightly painted directional lines to the various departments in the school. All this brought the school moral to an all time high.

The "Year of the Cat" was a year of sports accomplishments. Teams had good records with some going to the State Championship. It was an all around year of high, intense school spirit among both students and faculty. Therefore, it is only fitting that the yearbook theme for the 1988 El-Hi-An be THE YEAR OF THE CAT.

Scott P., Shawn S., Jason R., Stacy L., Scott C., and Ray B. really know how to "psych-up" for a game.

The Homecoming game was victorious with our girls in green and white leading the crowd!

Seniors Tammy B., Jill S., Lisa R., Kathryn C., Maria L., and Kelly R. make the most of the music.

Jason Richardson promised that he would do the B-O-B-C-A-T if the Girls Volleyball Team went to State . . . so heere's Jason!

Dedication

Mrs. Kathryn McCafferty has been teaching for 16 years, 15 of these years at E.H.S. She is a graduate of Ford City High School and attended college at both Edinboro and Indiana Universities in Pennsylvania. She enjoys cross country skiing, sailing, watching sports and spending time with her husband.

Mrs. McCafferty has taught the Senior class throughout our junior high and senior high years. When asked her opinion of the Seniors she said "The Senior Class is unique, and they seem to know what they want out of life."

Our opinion of her is not only one a student may have for a teacher, but also one that a friend may feel for another. She has grown with us these past years and as we leave Elderton's doors, her words will remain with us and help us in our striving for future goals.

We, the Class of 1988, warmly dedicate this year's EL-HI-AN to Mrs. Kathryn McCafferty.

Alma Mater

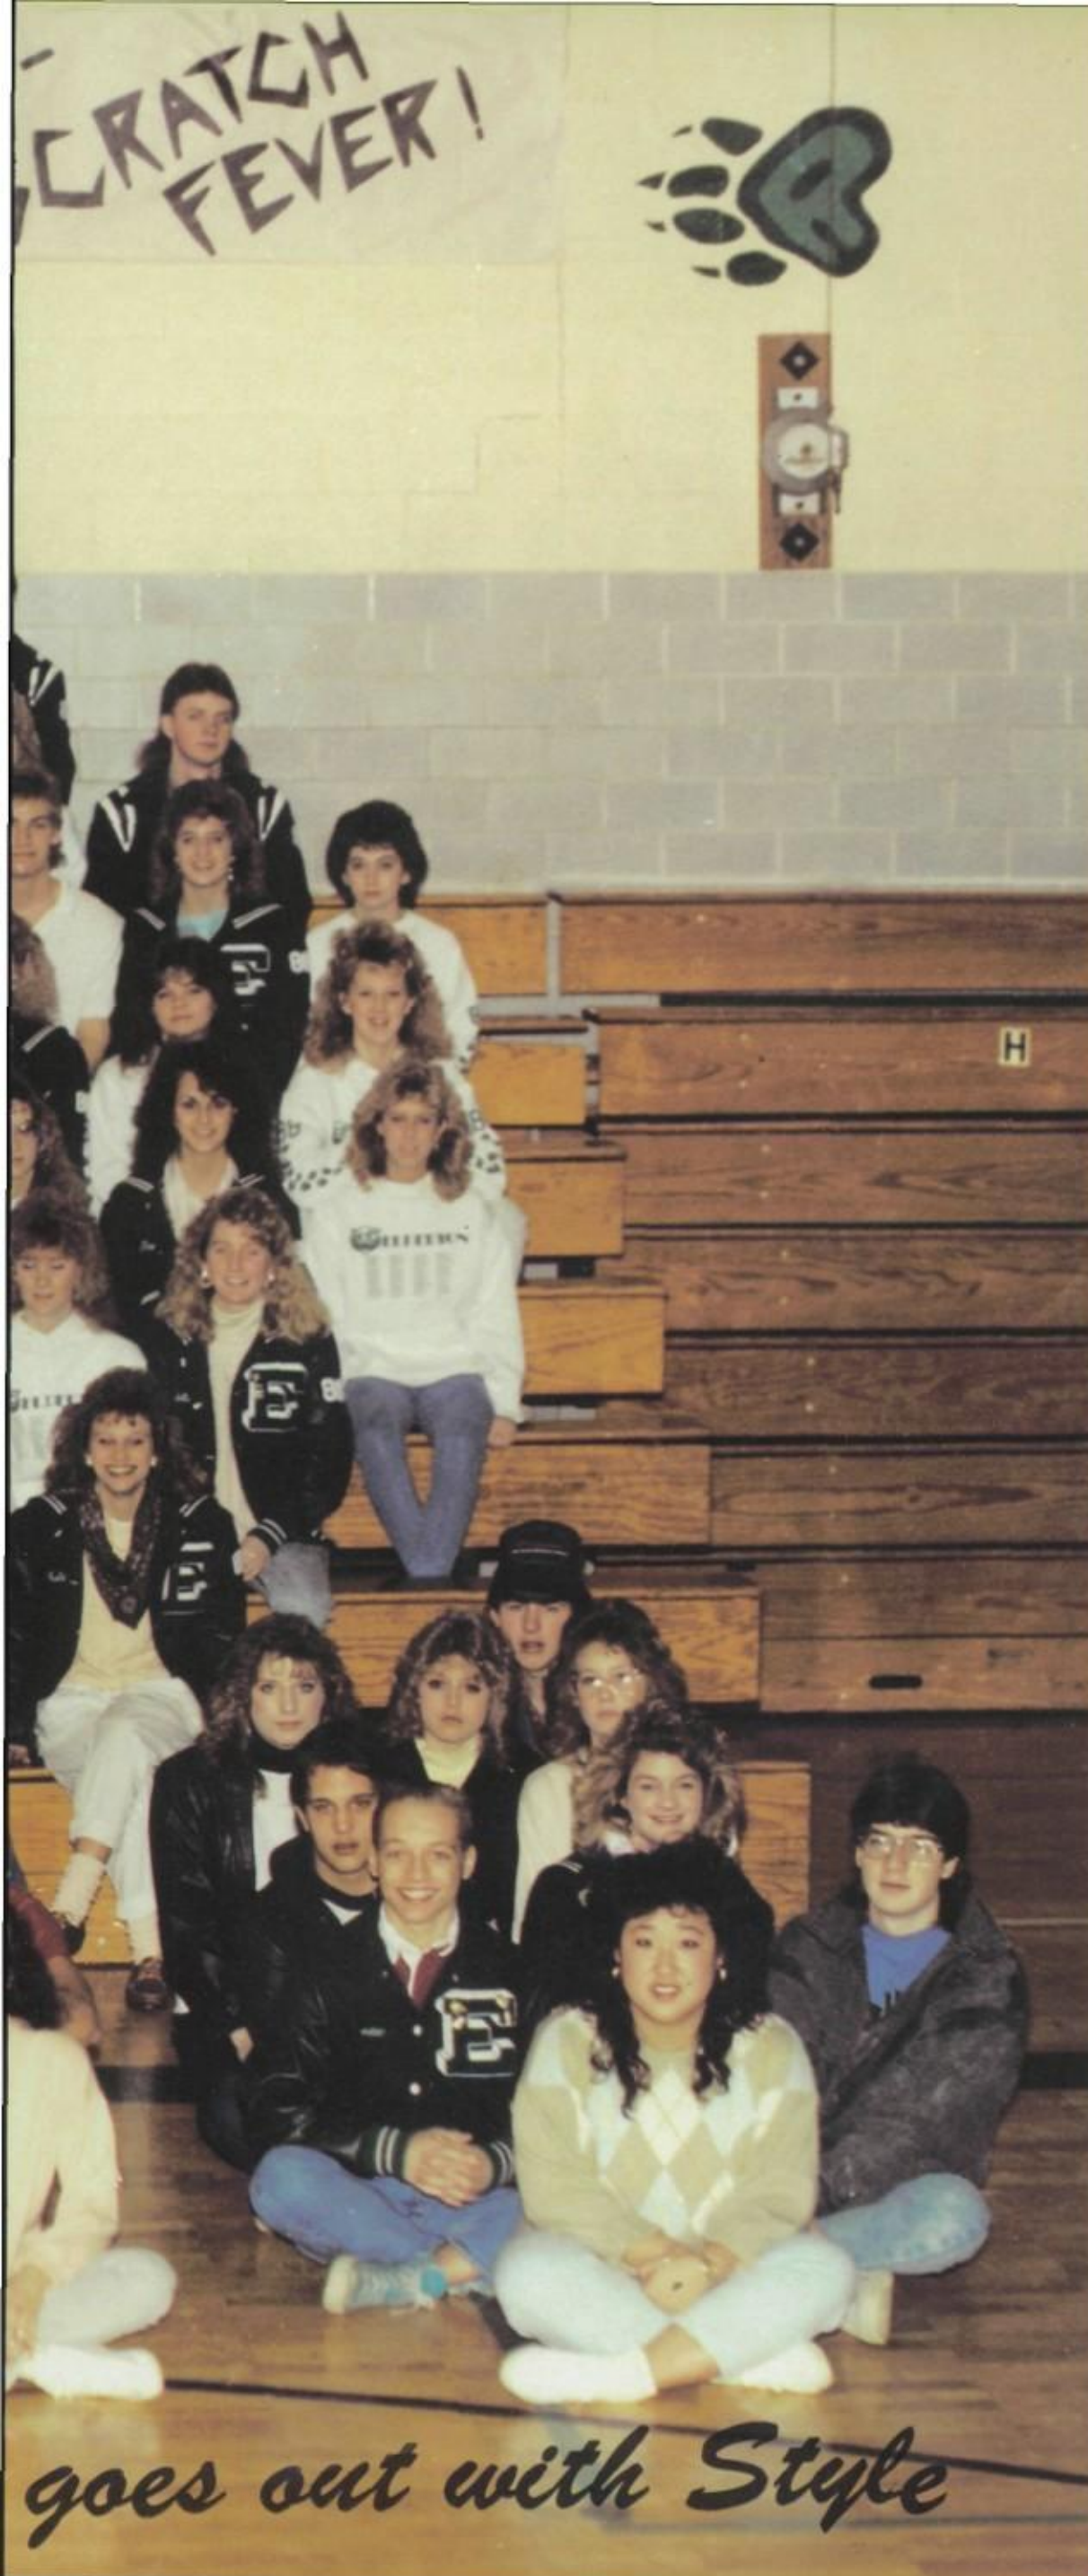

*Elderton, Our Alma Mater
Sing we now thy name to uphold
Praise her name, and win her fame
With hearts so strong and bold.
Elderton, our Alma Mater,
Gloriously we sing
All hail to thee with love and honor
Evermore we'll cling.*

The Class with Class . . .

As the Elderton Senior High School class of 1988 goes forth, it is well to remember that this event is not an isolated formality, but rather the culmination of twelve years of education. The achievements of these young people are capped by the receiving of diplomas, but these diplomas, in turn, symbolize the tireless efforts of many people — school board members, administrators, teachers, and parents — who have provided over a span of years, the facilities, equipment, guidance and professional services necessary to the education of our youth.

Associate Justice John Paul Stevens wrote "The schoolroom is the first opportunity most citizens have to experience the power of government. Through it passes every citizen and public official, from school teachers to policemen and prison squads. The value they learn there, they take with them in life."

The lessons you learned here at Elderton High School will serve you well.

This is a structure of brick, steel and glass, but without teachers and students, the school cannot live. You are all a part of its existence. Years from now you will come back. Remembering all that was taught here, you will look with pride and say this was my school.

Charles E. Marchetti

Elderton High School Principals

Enterprising Individuals

When opportunity comes knocking on their door, Christine Sheasley and Bob Williams will be ready to answer the call. These two will always come out with flying colors.

Able Bodied Athletes

Batting, goin' for a 'bound, scorin' a goal, or just dribblin' around, keep Becki Leshner and Raymond Blystone busy winter, spring, summer and fall. Becki and Ray excel as both team player and as individual players.

1988 Senior

Bobcat Boosters

These two seniors are unchallengeably the most chipper chanters around. Kathy Bertolino and Jeff Stadtmiller are definitely the ones that have the most school spirit!

Class Comedians

Need a dose of comedy?? These two wild and witty crackups know how to put on a show! Lisa Rupert and Roger Dittmore have the perfect prescription for YOU!

Personalities

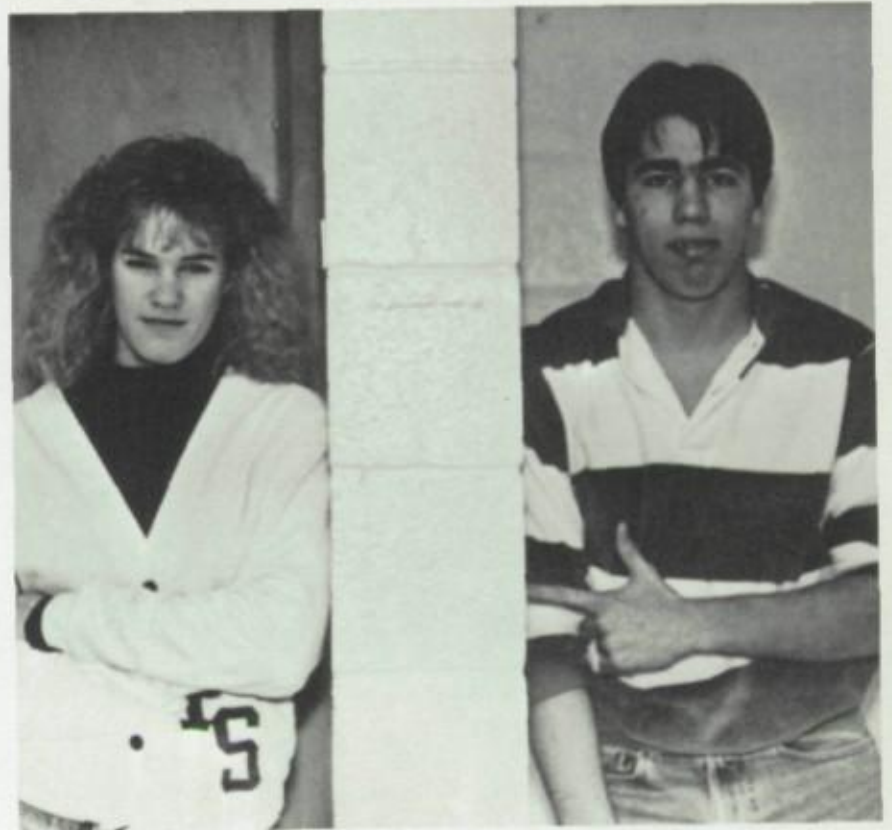

The Captivating Couple

They say that beauty is only skin deep, but these two are great people inside and out. Matt Miller and Lisa Townsend are the most appealing around.

The Pictorial Pair

Abstract design, and dimensional drawings are found flowing from the fingers of Tammie Townsend, and Ron Cessna. These two creative craftsmen can conjure up any concept.

The Debating Duo

An on going five period conversation? These two? Never! Jeneane Pollock and Kirk Dineley know how to hold up their end of a conversation. (Or are they just trying to kill class time.)

The Shocking Showmen

Messing around is the favorite pastime of Kelly Richardson and Joel Keeler. You can always find Kelly and Joel in the thick of things.

Senior Class Queen
Katrina Vlnaty

Mr. and Miss Senior
Christine Sheasley and Scott Pino

Outgoing Enthusiasts

These individuals are involved in anything and everything, including extracurricular activities, and are unmistakably the most outgoing seniors around. Katrina Vlnaty and Mike Risko energetically keep going, and going, and going . . .

The Talented Tooters

These two 'brass' 'blowin' band buddies are 'noted' for their ability to always be on 'key.' Michele Stockdill and Pat Bashline really know how to pick up the "Bobcat Beat."

More Senior

The Fittest Physique

By no means do these two totally toned up individuals, not measure up to potential. Chris Schall and Lance Schrecengost are the two people that are in-tune with their bodies.

Studious Students

Harvard and Yale look out! These two book burners are on their way to the top. Sherri Cumberledge and Scott Pino know how to make the grade.

Personalities

The Friendly Fellows

Tammy Baker and Chris Roberts are our choice for the pleasing personality category. They can always be counted on to say yes and help you out if you need it.

Gullible Grads

"Huh?", "What?", "Are you serious?" Questions most often asked by Beth Sharp and Shawn Boyer, the two voted most likely to believe that we're getting out of school at 2:44.

The Talkative Twosome

We have found something that tests the strength of super glue ... keeping the mouths of Tawnee Smith and Jeff Nichols closed is one impossible task.

The Gloriously Glamorous

Looking for a fashion statement? We have found the most trendy around. Shelley Sprankle and Randy Graham are the two to follow when wanting to be in style.

1988 E.H.S. Exchange Student

Mr. and Mrs. Barry Beers and their children are the host family of this year's foreign exchange student, Maria Larsson. Maria, the first exchange student to attend E.H.S. since 1979, is visiting us from Eskilstuna, Sweden. She has lived in Sweden with her parents, Mr. and Mrs. Einar Larsson, since she was 15 months old. Maria has tried to learn as much about the U.S. as possible, and will be learning even more before her departure in June.

We hope she has as many fond memories of us as we do of her. We wish her the best of luck in the future, and we'll miss her greatly.

During the latter part of their sophomore year, students have the option of attending Lenape Vo-Tech their Junior and Senior years. It is located near Ford City and was built in 1965. This year approximately 525 students from the districts of Armstrong (which is Elderton, Shannock Valley, Dayton, East Brady, Kittanning and Ford City high schools), Leechburg, Freeport, and Apollo-Ridge are taught a wide variety of subjects by 45 teachers. The class of 1988 was the first to graduate from Lenape. Prior to that, students attended graduation ceremonies in their home schools. The curriculum taught includes; air refrigeration, auto repair, machines, welding, mechanics, cosmetology, chemical technology, carpentry, electronics, agriculture, health assistant, drafting, distributive education and food preparation. The clubs for the student population are as varied as their subjects; a newspaper, a yearbook, a sportsmans club, National Honor Society, VI-CA (Vocational Industrial Club of America), DECA (Distributive Education of America), and FFA (Future Farmers of America). This school is the "melting pot" of students from all the high schools in Armstrong County. No matter where their home schools may be, no matter that their sports teams are in competition with one another ... Lenape students at Lenape are "one, big happy family!"

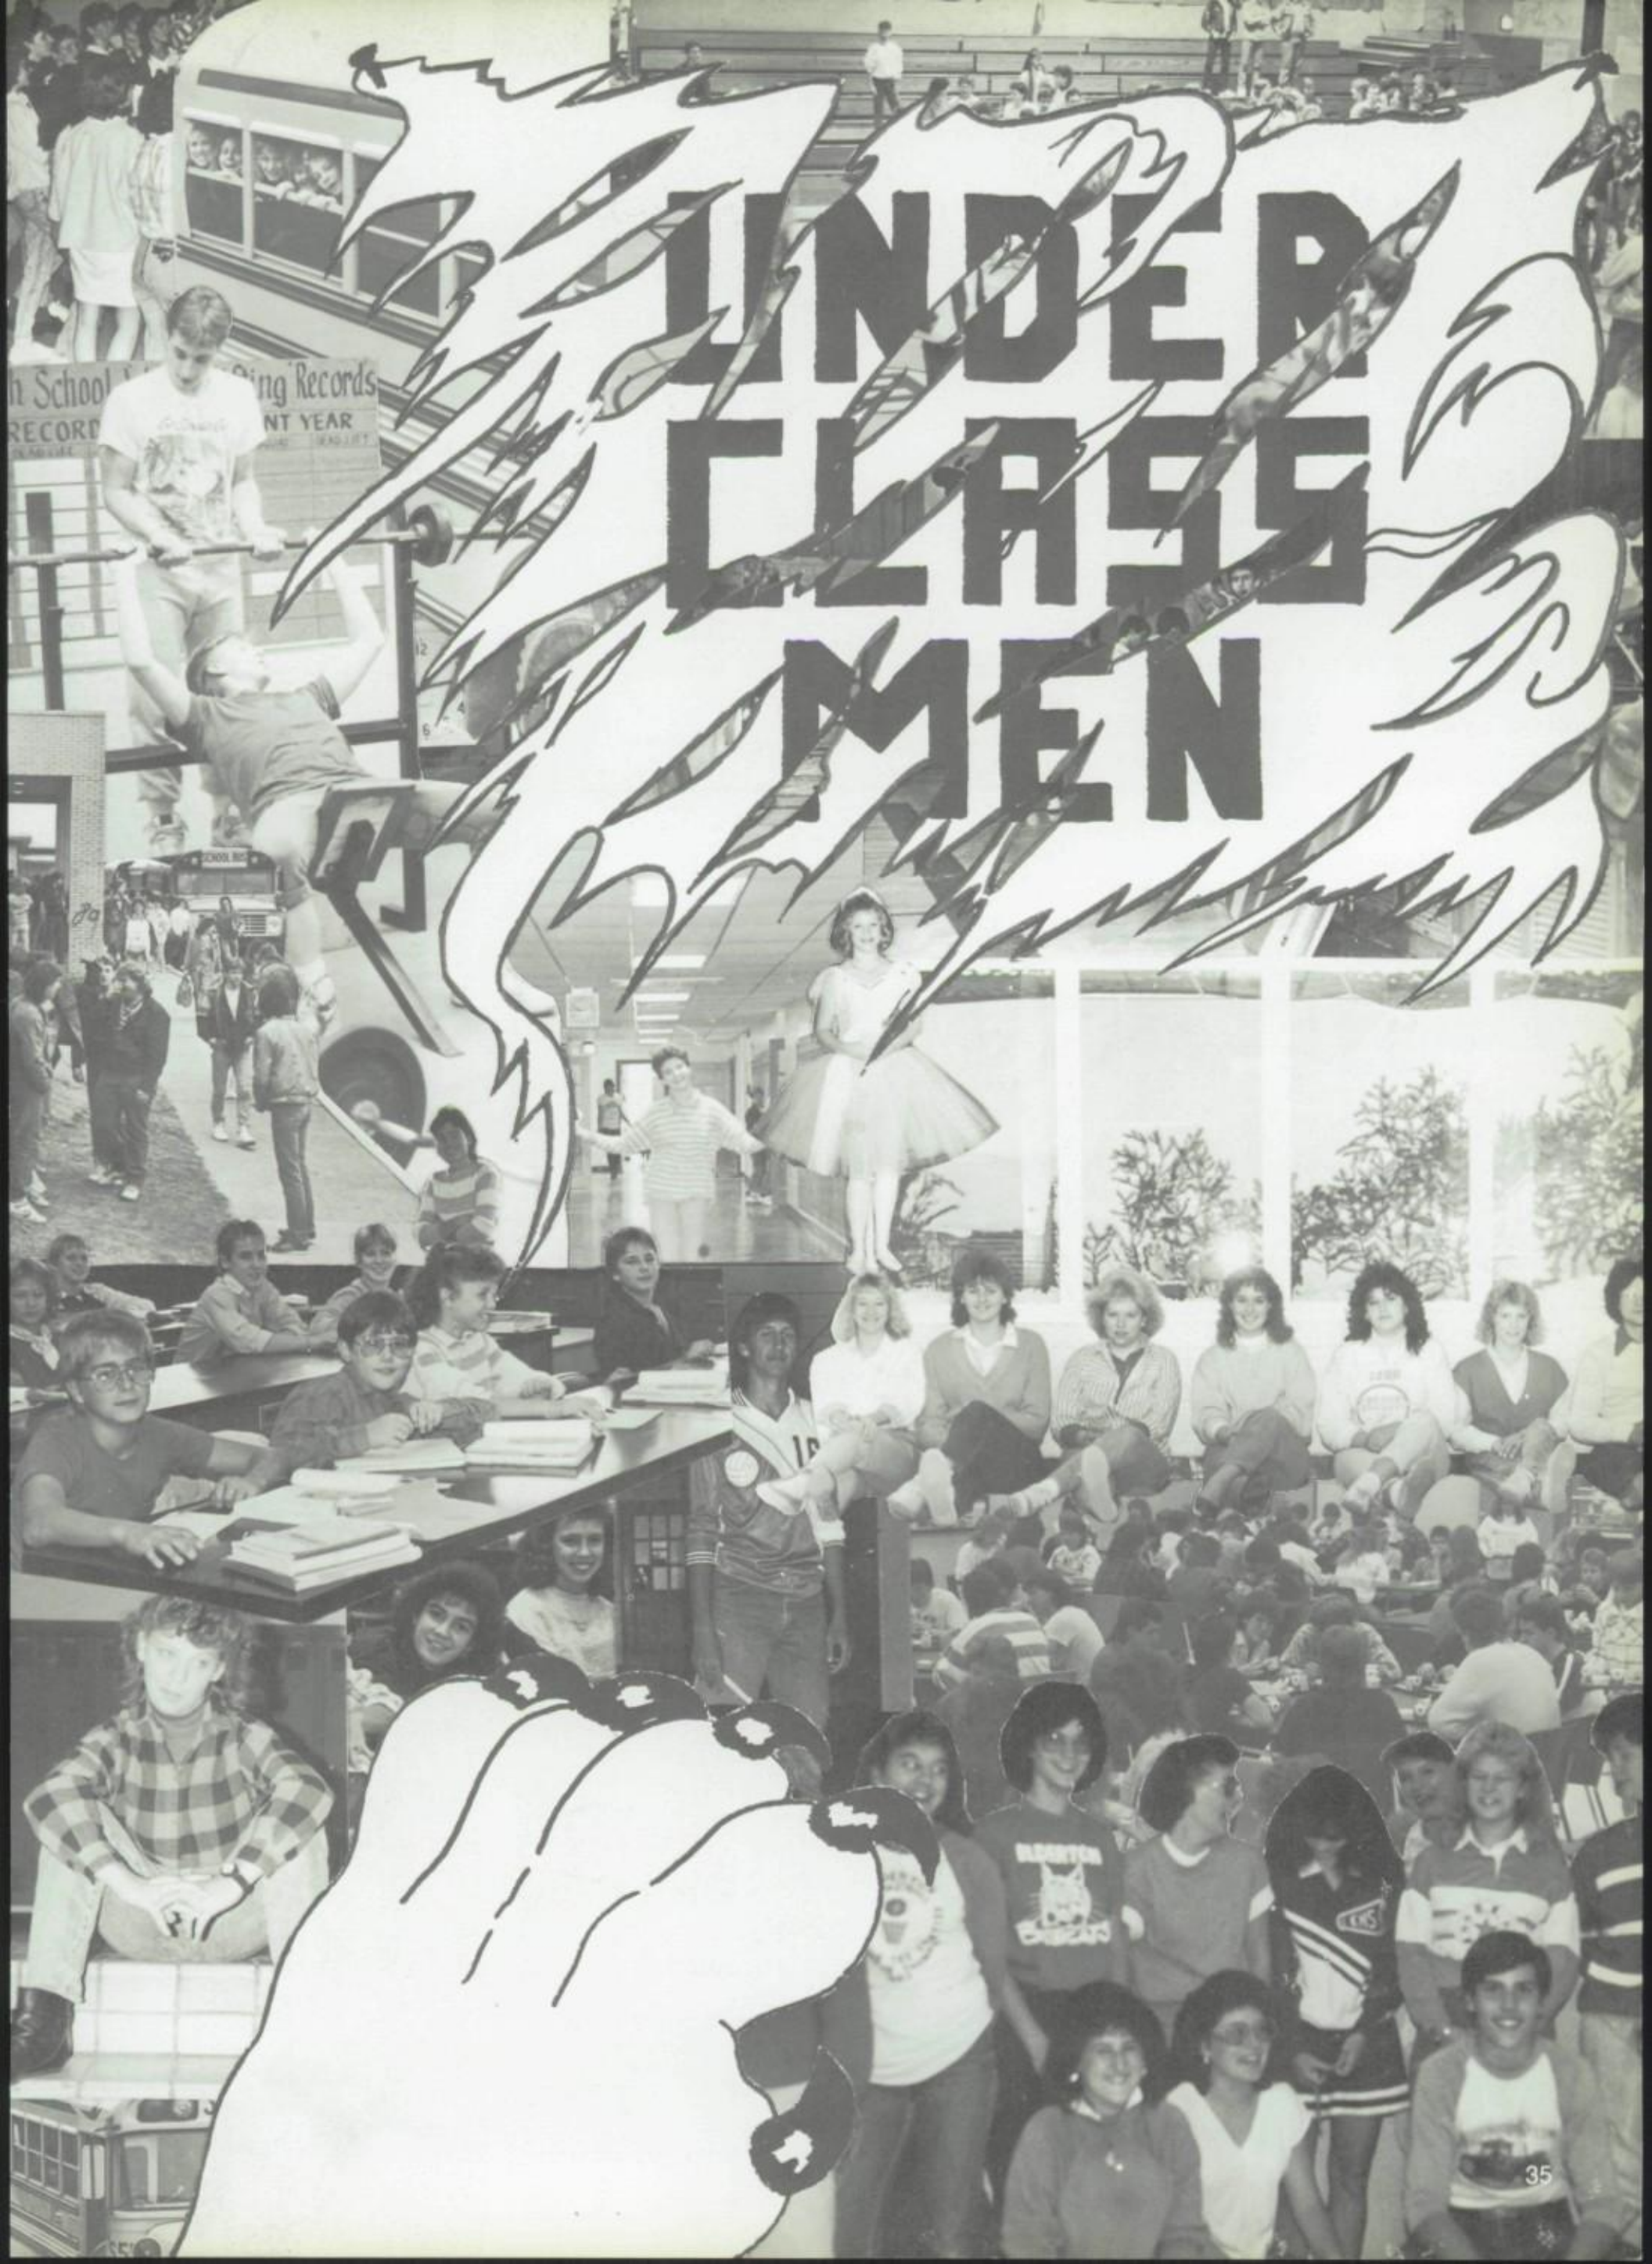

Above, middle: Tawni Schall is found taking part of the kitchen activities.

Above: Shades during class must be in for Marlene Pyle.

The Creators

The 1988 EL-Hi-An had a new advisor this year, Mrs. Weaver, the Art Education teacher, who took over the reins from Mr. Buchanan. He had been doing the E.H.S. yearbook since 1972, and has been a yearbook advisor for over 25 years. The staff, which used to consist of only seniors, was extended to include some juniors this year. They held a dance to distribute the 1987 yearbooks, held hoagie sales, and supervised a candy/brochure item sale for students to earn a percentage off their 1989 yearbook.

Co-editor, Jill Smail, advisor Mrs. Weaver, and co-editor Lisa Rupert, check the shipment to the publishing company. Mistakes must be ckd very carefully!

Below: Kelly Peterman, senior, was the **Faculty** section editor, co-editor, and staff.

Below, right: The **Clubs and Activities** portion of this book was done by Scarlett Townsend, Melanie Condric and Michelle Stockdill.

Seniors Barry Craig and Lisa Townsend were responsible for **Typing** all the print for this entire book.

In charge of the **Band and Chorus** section was Tammy Baker, senior, and Erin Rupp, Junior.

One of the goals set by the staff and advisor was that this yearbook be the most picture packed production ever produced. We hope you enjoy these "frozen-moments-in-time" from the 1987-88 school year . . . The Year of the Cat!

At left: The **money managers**, posing in a "safe place" were Rhonda Miller, junior, Jeff Stadtmiller, senior, Amy Hecker, senior and **Business Manager**, and Carmella Graff, senior.

Below, left: The persons who performed the primary picture production were Shelly Sprankle, senior, Kelly Claypoole, junior, and Missy Mitchell, senior, the **Photography** staff.

Below: The **Sports** section staffers were all seniors. Becki Leshner, Kirk Dineley and Sherri Cumberledge not only did the sports, but were involved with sports on the participation level.

The seniors in charge of the **Seniors**, Tammy Cessna and Kathryn Claypoole, had senior pages at the very beginning, and the very end of the book!

The **Underclassmen** section was accomplished by two seniors, Jill Troutman and Kathy Bertolino.

Leaders of the School

The Spoken and Written Word

The writing duo of Kathy Bertolino and Scarlett Townsend contributed to the weekly school news section of The Indiana Gazette and The Leader Times. Schools and Scribes gives the community a chance to become aware of school activities. After a year's absence, the school newspaper revived. Under the direction of Mr. Curren, the staff pub-

lished several papers, which were given to faculty members and sold to the student body. The German club is designed to help its members develop an appreciation for the German language and its culture. The advanced German students traveled to Pittsburgh to see a German film, with Mrs. Sylvia Soltis, their advisor, in the spring.

With an ARIN grant awarded to Mrs. Weaver, the school received a new, unique look. Bobcat 'paw prints' were painted in the gym during Thanksgiving vacation by volunteer students. Colorful, direction lines, leading from the main office to the various departments in the building, were painted by senior high artists. The letter designs were created by grades 7-12 art students. The Art Club's field trip this year was to Washington, D.C. in April. Another art work was purchased to add to the permanent art collection for E.H.S.

Environmentalists

Eco Team

The Eco Team attended two eco meets last year, one at the Jennings Environmental Center in Slippery Rock and another at Mahoning Dam. Because they lacked an elementary team, they did not do well at the meets. They placed seventh out of thirteen teams at Slippery Rock and last at Mahoning. The groups identified plants, ecological processes, acid-base chemistry in soil and water, and animal tracks, pelts, and skulls. In the future the Eco Team hopes to develop an elementary team so that they can do better at the meets.

Helping Hands

Office Workers

While most students had a good time in study hall, these students spent their free time working in the office or the library.

The library assistants helped Mr. Runyan by checking books out, returning the books to the shelves, and finding magazine articles for those people who were doing research papers.

The office workers distributed absentee forms and that dreaded slip of paper that summons students to Mr. Marchetti's office, Mr. Mauro's office, or the attendance office.

To be eligible for membership to the **Varsity Club** one has to play, manage, or be a statistician for a JV or Varsity sport. Throughout the year, members sold candy and raffle tickets to raise money for their jackets, which they received at the sports banquet in the spring. One of the goals of the club is to promote school pride, team pride, and self pride through participation in the various sports.

The team, comprised of eight members, solved problems using reasoning, logic, and problem solving techniques. Categories of questions consisted of computer problems, mass determination, tangram problems, bone structure, civil rights, and an objective test. The hard work of the students and their coach, Mrs. Clark, paid off, for the team placed first in the competition with schools from Armstrong County and third in overall competition.

A traditional version and an original version of "Goldilocks and the Three Bears" was presented to the Elderton Elementary by the Drama Club as the first production of its existence. The newly formed group worked on the props and staging aspects of their plays for many weeks. Practices were held after school. During the summer, those interested helped work on the stage to clean and to organize props and costumes. As this book went to print, a summer production was in the "evolution" stage.

Scholarship, leadership, service, and character are the four criteria that these students met in order to become members of the National Honor Society. All students with a grade point average of 3.0 or better were eligible to fill out an application for admission. In the application students described their leadership and service abilities. The final step was a teacher evaluation of each student's character.

The new members were inducted on May 2, 1988. With the help of their advisor, Mrs. Clark, the 1987 inductees conducted the ceremony. After the speeches had been made, the evening climaxed with the induction of the twenty-eight new members. Each member received a National Honor Society pin, a yellow rose and a certificate of membership.

A pep assembly for the girls going to the State Volleyball Championship was held to show them our support!

This year, it was easy to get caught up in all the school spirit — especially when the girls Volleyball team was on the floor. The girls had a simply awesome season, finishing with undefeated records. (14-0 in sections, 15-0 overall). Because of this, they won the first section title for girls' varsity volleyball in the school's history. For five straight weekends they came home with well deserved first place trophies. Starting with the Deer Lakes Tourney, they defeated Riverview 2-0 in the final match. The very next Saturday, they won our tournament; dropping Geibel in two straight games. Next came Penn Hills — the only tournament they "lost," and they still received 2nd place. While middle hitter — Marcy Stubrich — was sidelined with an injury, the girls lost the final match (2-1) to Class AAA team, Trinity. Now on to Richland. Here, they beat Fox Chapel 2-0 in the last games to do it again. One more left and that was Plum "B." This time Penn-Trafford went down in two games to finish out our tournament season. Individuals on the team did well also. Erika and Marcy were selected for the 1st All Section team, and Kim and Heidi made Honorable Mention. Beth was named to the Armstrong County Sports Hall of Fame for her play. Oh! One more fact about the team: they went through the season being ranked 2nd in the WPIAL which brings us to the play-offs . . .

The coach, Richie Serafin, and his assistant, Michelle Meyer, both former E.H.S. graduates, spurred the girls to victory.

The First in the Series

Our girls volleyball team was the one to start out this super year for EHS sports. After the girls finished their regular season with a 15-0 record, they showed their stuff at N.A. High School against St. Francis, smashing them in 3 straight games. Then, it was on to Robert Morris College to play Father Geibel. No problem! The girls easily advanced to the championship game against Farrell. If only "almosts" could matter now. Losing to Farrell was disappointing, but they still qualified for state competition. Well, fans (along with the rest of the town of Elderton) took a long trip across the state to a place called Shippensburg. Here, they played all morning in a round-robin. The team started out loose and it paid off. At the top of the pool, which included the teams of Bishop Guilfoyle, Canton, and Everett High Schools, the Ladycats were then in the quarter-finals. But, something went wrong, and the dream of being state champions came to an end. But, only for 1988. The season was a great one and accomplishments — numerous! Erica and Marcy were chosen for the W.P.I.A.L. All Star Team, and Beth was honorable mention. Seniors will always remember the year as the best.

Below: Can't forget how much the guys and their coaches (Mr. Erwin Olsen and Todd Olsen) supported the girls V-ball team. Next time ALL fans will be painted, 'fer shure!

The Kicking Cats

The soccer team was one of our teams that just missed the playoffs this year. More fans attended the games than in previous years although it rained an awful lot. The guys didn't mind the water though — it made things a lot more interesting. Example: The reason we have no pictures of Jeff is because he **always** seemed to be turning his ankle (maybe we should blame it on the mud). Anyway, honors were still received. Matt made the 1st team all section and Rich was named an honorable mention. Playing good soccer also helped Ray to be placed in the Armstrong County Sports Hall of Fame. When all is said and done, the guys deserve lots of credit for hangin' in there! Good goin'!

Far left: Chad — don't get excited — you **know** you're supposed to use your foot.

At left: The guys take a break for strategy plans.

Bottom left: The members of the '87-'88 soccer team were Standing: Matt Risko, Ray Blystone, Jeff Nichols, Scott Poloff, Scott Craig, Bob Meriman, Chad Prugh, Eric Schrecengost, Lee Harclerod, Jason Richardson, Rich Freebergan and Ron Schrecengost. Kneeling: Lance Whiteman, Shawn Spencer, Peter Kimmel, Toby Nichols, Greg Olsen, Tim Bertolino, Brad Schall, Charlie Stitt, Mike Elgin, and Ed Merriman.

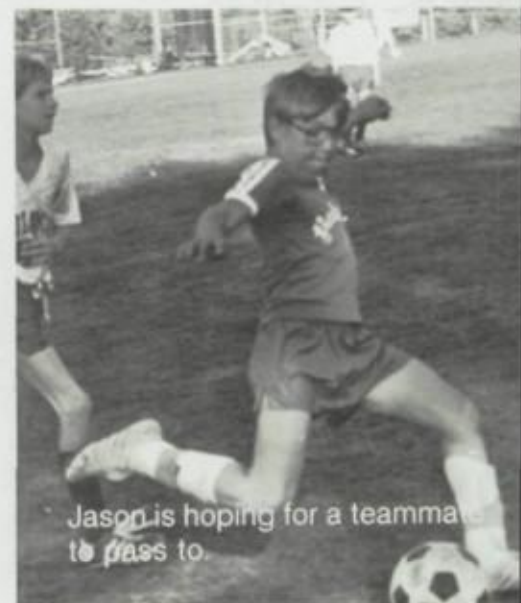

Below: Shawn, is that a new step?!

Football

Dave Pino is a member of the **Shannock Valley Jr. High** team. He has played for two years as a guard and linebacker. He is our only Jr. High football player and we hope next year there will be more than **one** player going over to Shannock Valley.

Junior High Kickers Soccer

Elderton Jr. High Soccer was under the coaching of Mark Schreckengost. They won 1 game and lost 4, and tied 1. We hope these boys will continue with all their soccer abilities and will be on the high school team. Pictured at left is our **Jr. High team** as follows; Row 1: Dave Williams, Shawn Warner, Chad Smith, Josh Kimmel, Stacy McClafferty, Jason Flickinger. Row 2: Chris Boarts, Allen Beers, Shawn Titus, Matt Riggle, Mike Cumberledge, Jason McClafferty, Jeff Townsend.

Our Elderton Spartans

EHS does not have a Football team, but our guys are fortunate enough to play at Shannock Valley. Scott Pino, who is pictured at the left, has played for four years, lettered for three years, was Co-Captain his senior year and received two awards: the Frank Brochetti Memorial award and a leadership award. He played defense and offense

and was a starter in the 1987-88 season. The positions he played were center, linebacker, kicker, and punter. Steve Schrecengost, who has played one year and lettered one year, also played offense and defense. His positions included guard, tight end, offensive and defensive tackle, and guard where he was a starter for half a year. Lance Schrecengost, who received the most improved award, has played for one year and is also a one year letterman. Lance also held positions on both offense and defense. On defense, where he was a starter for half a year, he was defensive end and defensive tackle. Bob Rupert, a sophomore, has not had as much experience as our Seniors have had, but we hope he stays with the team and encourages other E.H.S. boys to go out and play. Bob has played for one year on both the J.V. and Varsity level. On J.V. he played running back, defensive end and defensive tackle. On Varsity he played running back. The Shannock Valley Spartans had an even record the year of 1987-88 with 5 wins and 5 losses.

Continuing the winning tradition this year at EHS was the boys basketball team. Regular season was just as exciting as the play-offs. The gym was often packed full, as was the case on the night we played the top-ranked AA team in WPIAL — Apollo Ridge! The game was action packed and intense, the feeling at the end of the game — **tremendous!** And we went on to finish with the best section record in the school's history (10-6), winning the Class A section title. This was in no way the only record broken this year. Bob Merriman broke the record for most points scored in a single game, then he broke his own new record. At St. Joe's, he beat Mike Gearhart's existing record of 35 by one; scoring 36. Then, against Juniata Valley, he scored **38** points. Also, Scott Craig broke two records. He smashed the old record of 447 points in a season, scoring 616. He also hit 1070 points for his career; outdoing the 1054 past record. Both of the records broken were formerly held by Asst. Coach Tom Spencer. Senior Ray Blystone became the school's 3rd leading scorer with 953 career points, and is at the top of the list for a new stat-three pointers. The guys did consistently well against other players in the section, placing in the tops of such lists as highest pt. average per game, best free throw percentage and most rebounds per game. Ray and Scott C. were named to the 1st team All Section, and Scott C., Ray, and Bobby were placed on the 1st, 2nd, and 3rd Gazetteland teams respectively. Ray also played in the Regional All Star game. The guys worked great together as a team and it all paid off when we ended up in the play-offs.

... Continuing the Victories!

There was no letting down from the basketball team, even after play-offs started. Double overtime against Avonworth and OT vs. Geibel sure took some years off our lives, but it was a lot of fun. And no one can say we didn't deserve it. The guys set their goals and did their best to reach them. After they beat a stunned Duquesne (2nd ranked team in WPIAL), they ended up right where they wanted to be — the Pitt Fieldhouse — WPIAL Championship game. Winning it THIS year just wasn't meant to be. Hey! Second isn't bad at all considering we weren't expected to even make it THAT far. In any case, we went on to State play-offs clear to the quarter-finals. Again, fate had it that we would stop there. But, knowing that the loss came to Monessen (eventually PIAA Class A Champs) made it easier to swallow. We finished 5th in the state. Not bad for a team who, early in the season WAS considered "no threat." (NOTE: Individual accomplishments include Scott C. being named WPIAL All-Star and Special Honorable Mention to PIAA.)

At the Elderton Booster Club Tourney, our girls rolled over their opponent the first night to go on to do the same to their opposition the second evening. Erika and Marcy were given top honors during the awards presentations. In the W.P.I.A.L. Playoff rounds, the team got off to a hot start by stomping Laurel, at Leechburg High School, in the first round. The dreams of glory came to a halt at Plum High School when they were nudged out of further play by the girls of St. Francis. The Lady Cats, though sad and disappointed, showed their true spirit by claiming . . . "wait 'til next year!"

The 1987-88 Matmen did not stress team performance, but rather individual accomplishments, due to the lack of participants. This season, senior Lance Whiteman (132 lbs.) and junior Jay Haught (112 lbs.) advanced to the Regional Competition, which was held at Washington and Jefferson College. This year marks the seventh year of coaching E.H.S. for Darrel Haught, who coached the Varsity team. The Junior High team was coached by Joe Boyer. Assisting this year was Allan Cessna. Statisticians for the Varsity and Junior High were Lynn Haught and Vicki Boyer.

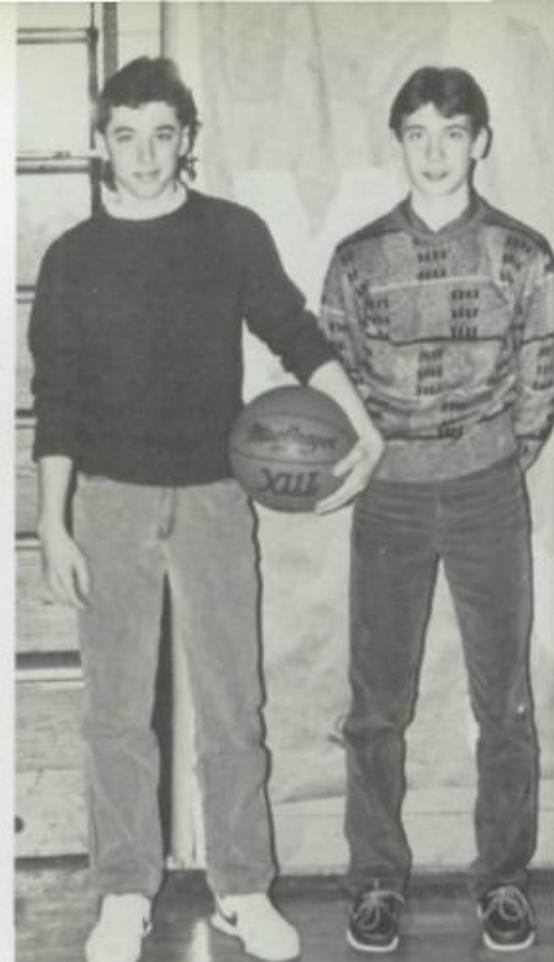

Senior Matmen — Kirk Dineley (138 lbs.), Scott Pino (155 lbs.), Shawn Boyer (185 lbs.), Lance Whiteman (132 lbs.).

The EHS boys Jr. High basketball finished the year with 10 wins and 7 losses. The team was coached by Mark Schrecengost and assisted by Mark Risko.

Lady Cats Afield

The girls had a lot of surprises this year. First was the new assistant coach, Mr. Black, then all the new players, and then, the results! They had a lot of fun at both practice and during games. They finished the season with a 12-5 record, and in section play, 10-4. These gals missed being in playoffs themselves by only one game!

Practicing and playing in the rain, mud, cold and hot sun gained the experience needed by new and old team members. They played various positions and learned what each other was capable of doing. Although the team was large this year, everyone had the opportunity to play in a Varsity game. These ninth, tenth, eleventh and twelfth graders worked hard (... and, after all, breaking in a new coach isn't easy ...) and here's hoping they have a great season next year.

Hey, Pope? Where ya goin'?

In Section Play...

This year the volleyball team did a super job. They finished 2nd in their section (tied with Fox Chapel) and headed for the playoffs. Although they lost in the first round vs. Derry (the eventual WPIAL and state champs), they should hold their heads high for their accomplishments. We decided to devote their playoff page to tournaments. Playoff pictures are located at the bottom of the opposite page. Great goin' guys!

At right: Contrary to this picture, there were four senior members on the team — Chris Roberts, Shawn Boyer, Ed Fiscus, (and Brian Pennington, now shown)

This page has been filled with various pictures from the guys' six tournaments this year. They started out slow with the N.A. tourney, not winning enough games to make the playoffs. Next was Deer Lakes where they took 3rd place. Although they finished first in their bracket, the guys were eliminated by Peabody in the semi-finals. They didn't take this too well, and the next Saturday they got revenge by defeating Shaler at Peabody to take the first place trophy. Now we come to the Plum "B" tourney. Here, they finished 2nd in our bracket and 3rd in the overall standings (losing to Fox Chapel in the semis.). Maplewood was another weekend that we didn't quite have enough umph. Finally there was our own invitational. There were many "big-time" teams competing, so finishing 2nd in our bracket was a job well-done. We lost to Montour in the first round of playoffs, but had a lot of fun anyway. All in all, the time was well spent, and the experience will come in handy next year.

Over there: You cannot be serious?!?

The baseball team made sure the last season ended on a high note. With a section record of 10-4, this team, like many other teams of ours, qualified for the WPIAL playoffs. (The only other time the baseball team from EHS made any playoffs was in 1984, where they lost in the first round.)

This year's team certainly topped that! They rolled through the first three foes easily. They became WPIAL Runners-up (another EHS team to get the silver) which gave them a berth in the PIAA rounds. They traveled far . . . to Erie . . . and went another rung up the ladder. They bowed out of the playoffs during an exciting game that ended our climb this year, by a quarter-final loss of a heart-breaking 8-7 in 10 innings. What a season! And, one more time, we showed 'em that we are the B-O-B-C-A-T-S-I Yeah! **And that this definitely was the Year of the Cat.**

Middle left: A-haaa! I gotcha now! Nice scoop, Ray.

Middle right: And YOU take this!

Above: Whoa! Help me, Ray.

Even though the season started out kinda slow, it was an excitement-filled year for the baseball team. Lance would say they started getting lucky when he found his new pet "Dead." A lot of good things happened this year. Ray lead the area in batting with a .480 avg. and Matt who had an ERA of 1.80 finish tied for 2nd in the homerun category with five. Various other team members were in the tops of lists for section stats. For example, Karl had 3-0 pitching record, Chad was 5-1. Steve had a batting avg. of .333, Brian's was .324. Not to mention all the rest. Even though most people didn't follow the team until playoffs, everyone should realize the guys were where they deserved to be — at the top!

Above: Mr. Rucinski, Mr. Schreckengost, and (of course) Mr. Curren were the ones that made SURE the guys were always ready to play (and win).

This year the cheerleaders were quite a busy bunch of girls. Along with all the play-off games, the competitions, and raising money to go to Nashville, the Varsity squad also had changes to deal with. This year there were 4 varsity squads (soccer, competition, seniors, captains, Kathy and Kat, and underclassmen, captains, Sonnie and Jennifer). Both Jr. High and Varsity received 2nd place trophies at the National Qualifiers competition at Punxy High School. Kathy and Georgie both performed individual routines also. Although Kathy did well, we didn't place in the top three. Georgie was awarded 1st and invited to attend Nationals. Everyone worked hard to raise money for all who wanted to support Georgie. It paid off, and Georgie won 3rd place in the nation. The best part of the whole year was seeing the community, students, teams and cheerleaders come together with lots of school spirit. It all showed in the end with how well our teams did.

The County Band Festival was held at Apollo Ridge on March 24-25. The students practiced many hours on stage in preparation for their concert Friday night (**As shown at lower left**).

Sparkling Seniors and their dates

Faculty and Staff pose before one of the many, beautiful theme decorations.

The 1988 Jr.-Sr. Prom was held at the Omni in Indiana on May 20, 1988, and the theme was "A Night in the Orient." The Junior class worked hard to give the Seniors a "fond farewell." A classy gift "good-bye" for the Class of '88.

Reliving "A Night in the Orient" ... a wonderful night for LHS students and their dates.

The End!

Scott Pino, the Class of '88 Salutatorian, spoke on being yourself, being an individual, and not worrying about others opinions of you. He spoke to his classmates, referring to their trials and tribulations of their senior year. He spoke to the audience, describing the feelings his class has concerning their past and their futures.

Starting at top: A cool evening, which turned unseasonably cold, was well attended by both friends and relatives.

The only thing this group had to worry about was their **caps blowing off!**

Can you pick the future President of the United States of America in this crowd? (how 'bout someone who could possibly overthrow a government?)

Dawnyiel Zubik, in white, Gary Norris, far right, sang their farewell song especially for the grads.

Sherri Cumberledge, Valedictorian, expounded on the joys and sorrows of education from the Kindergarten years to their Senior reward of today. She presented warm memories to her classmates, and of teachers and happenings from years gone by. The anecdotes she told were enjoyed by all — and jogged the minds and feelings of everyone. She wished her classmates well as this top ranked student spoke to her friends for the last time.

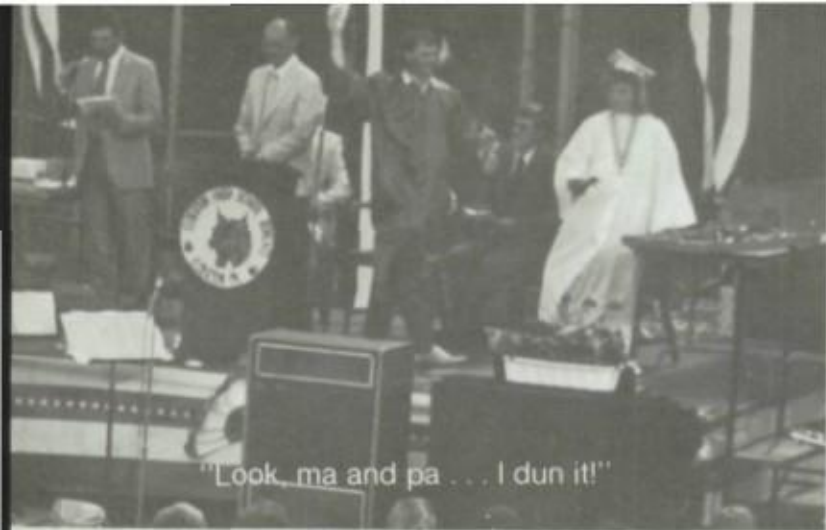

Starting at top left: Michele Stockdill and Gary Norris sang a beautiful ballad pertaining to wishes and dreams.

The first row rises to the occasion of receiving their diplomas as they wait by the stage for their name to be read.

Mr. Spencer, and other faculty and friends, listened attentively to the words of wisdom from the various speakers.

The Class of 1988 President, Melissa M. Mitchell, stands proudly as she prepares to hand each of the graduates a congratulatory flower after receiving their certificate of accomplishment.

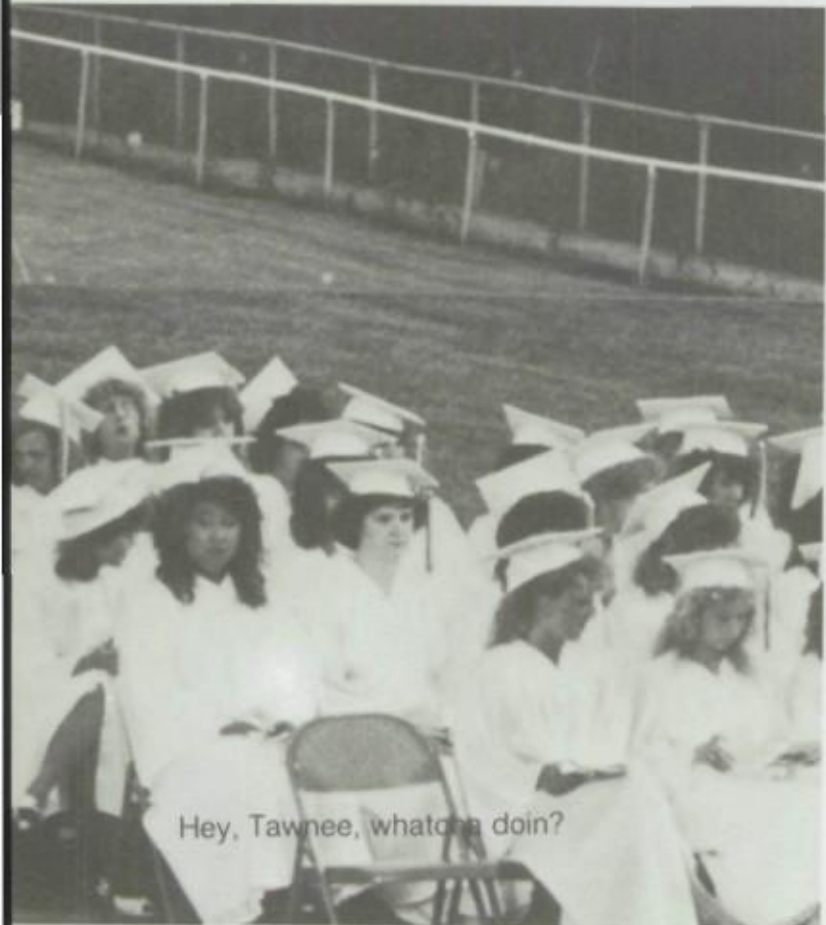

Is my tie straight? Do my hair and hat look okay? How's this look?

"Look ma and pa . . . I dun it!"

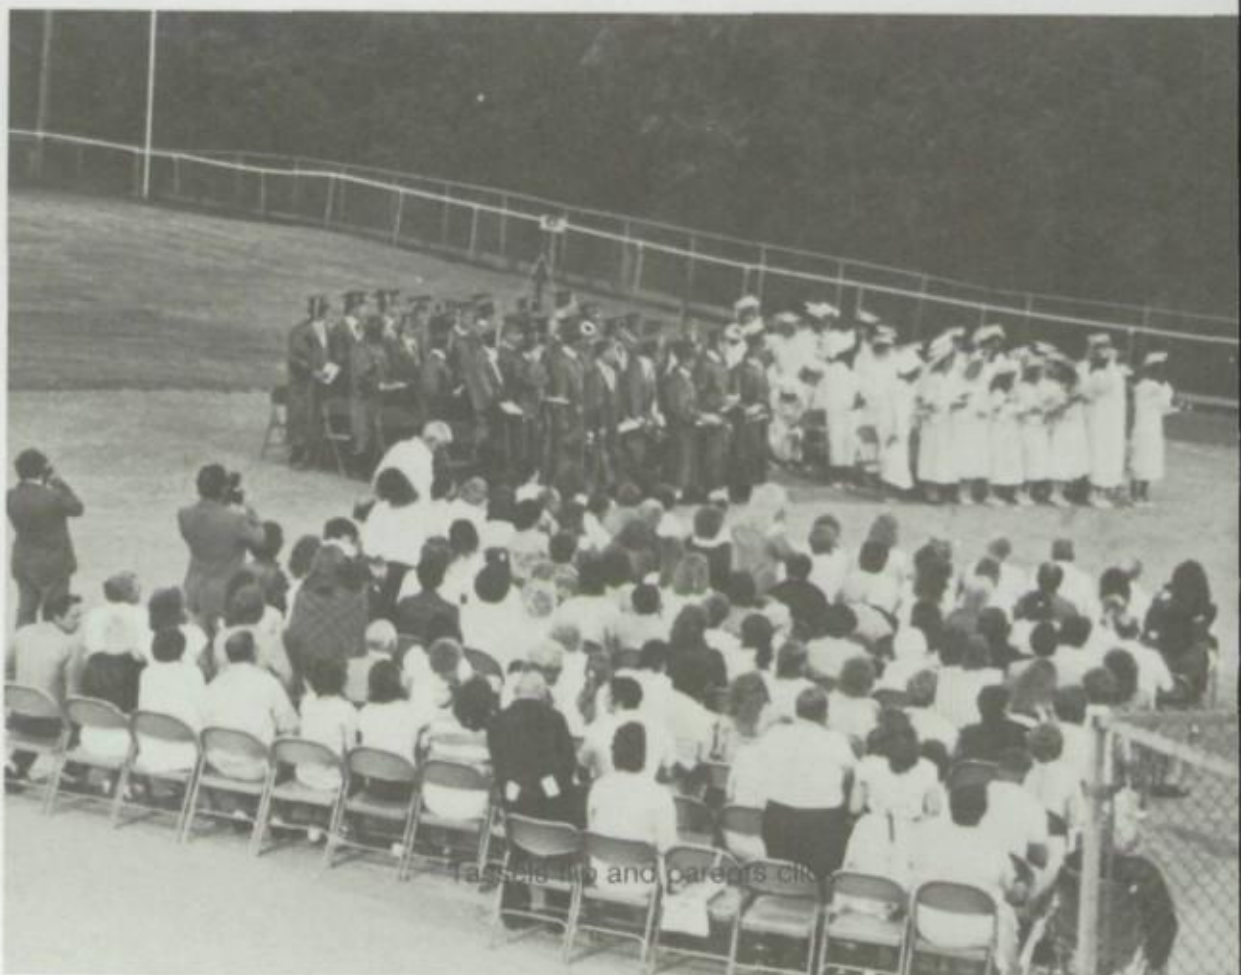

Tango?!? Or are you hungry?

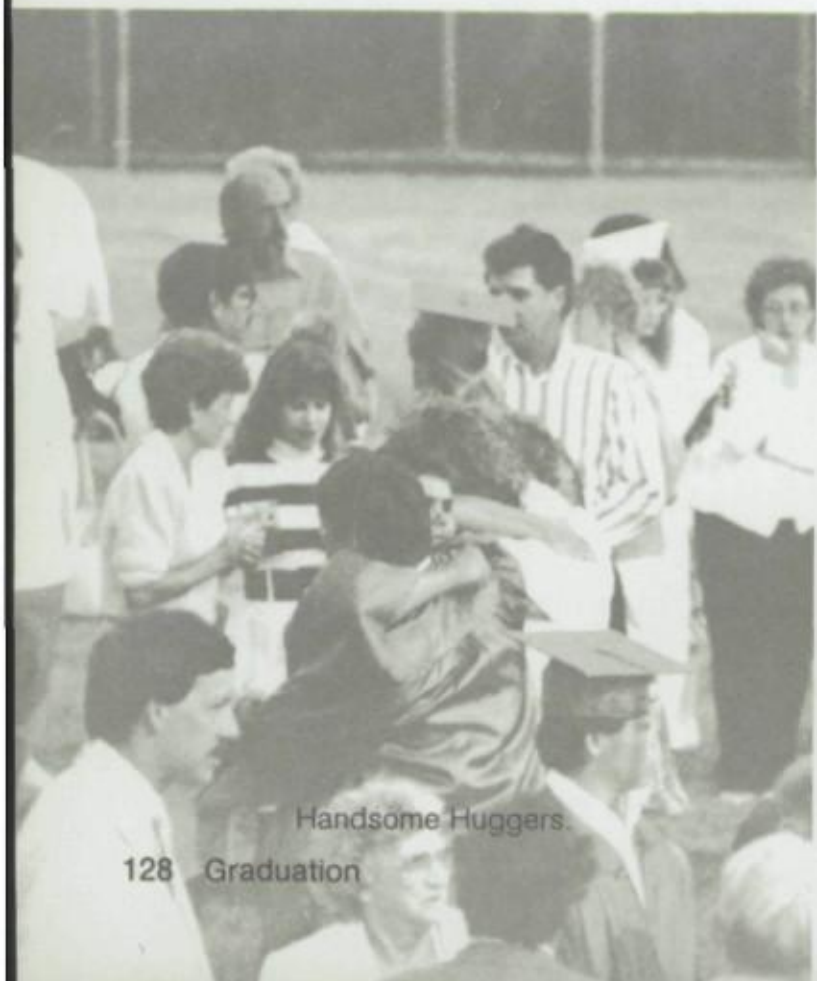

Hey, Tawnee, what are you doin'?

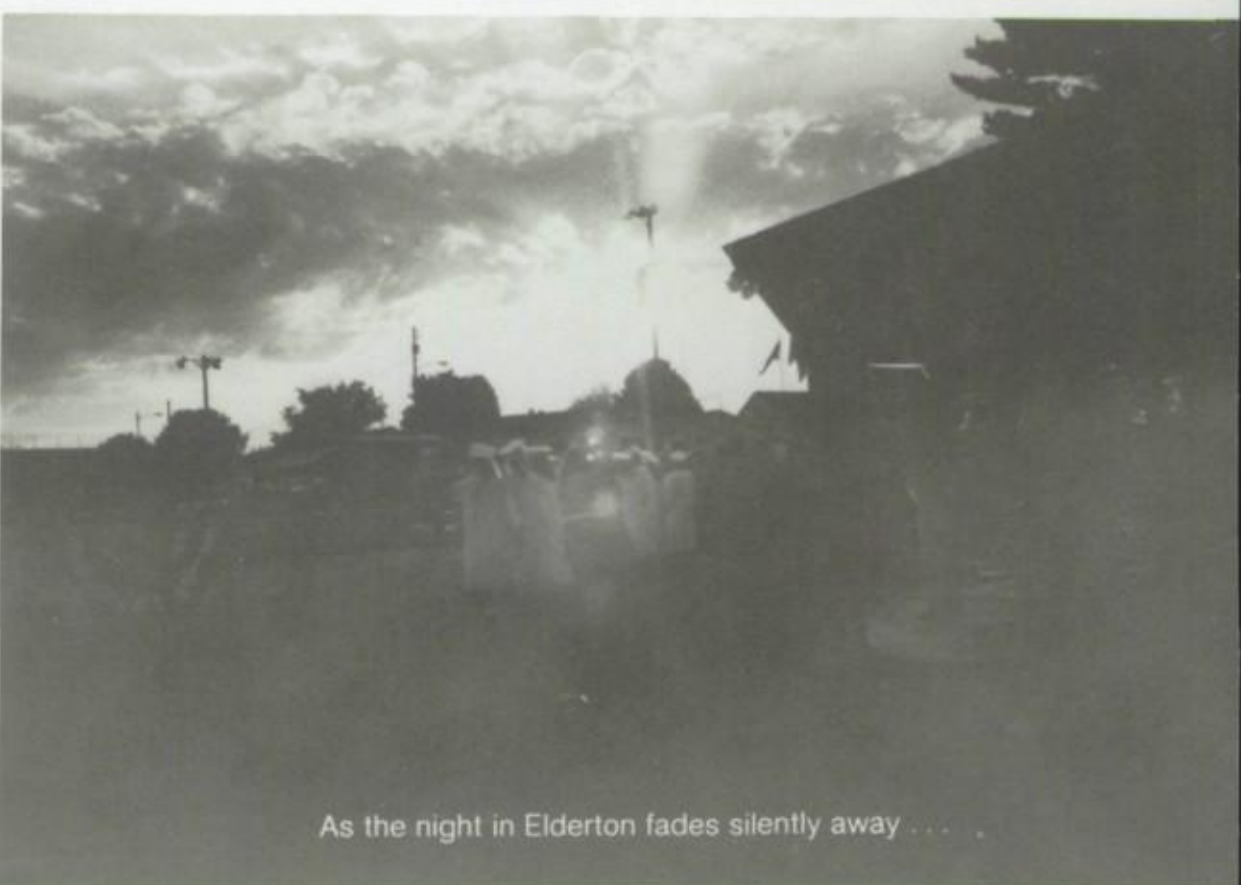

On to graduating.

Pass it up and parents clip

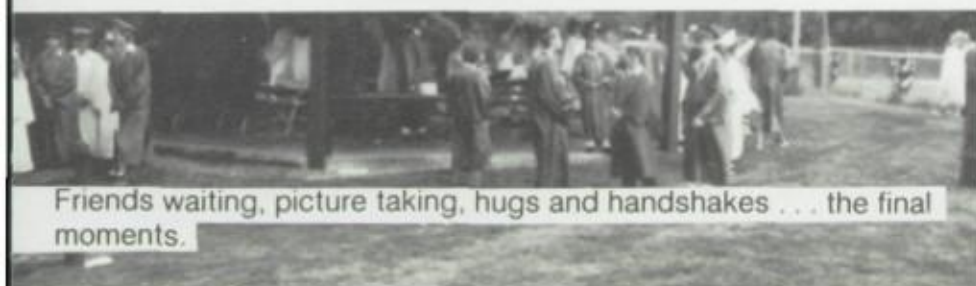

Handsome Huggers.

As the night in Elderton fades silently away . . .

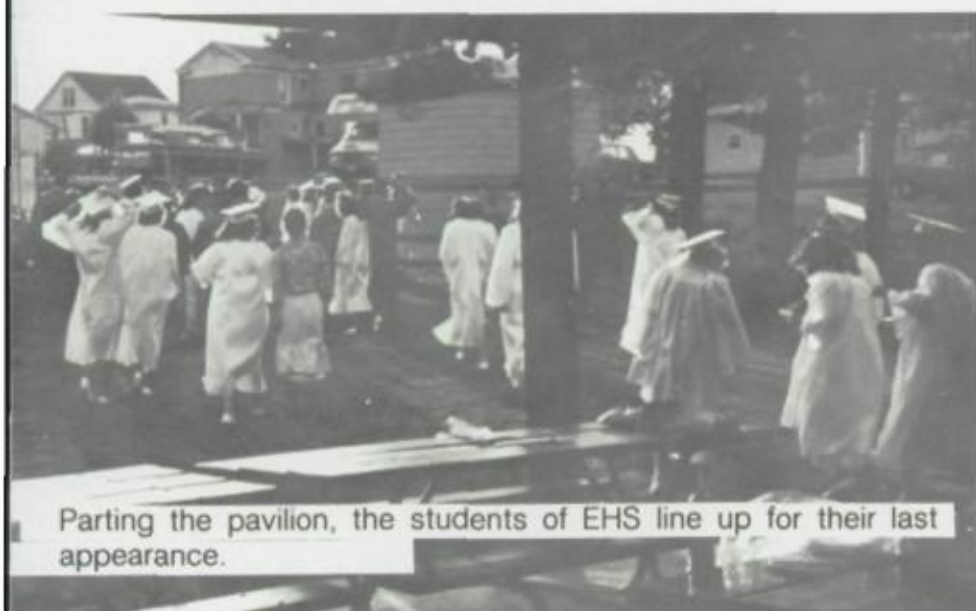

we cross that stage ... we're FREE!

Friends waiting, picture taking, hugs and handshakes ... the final moments.

"Angels" of graduation.

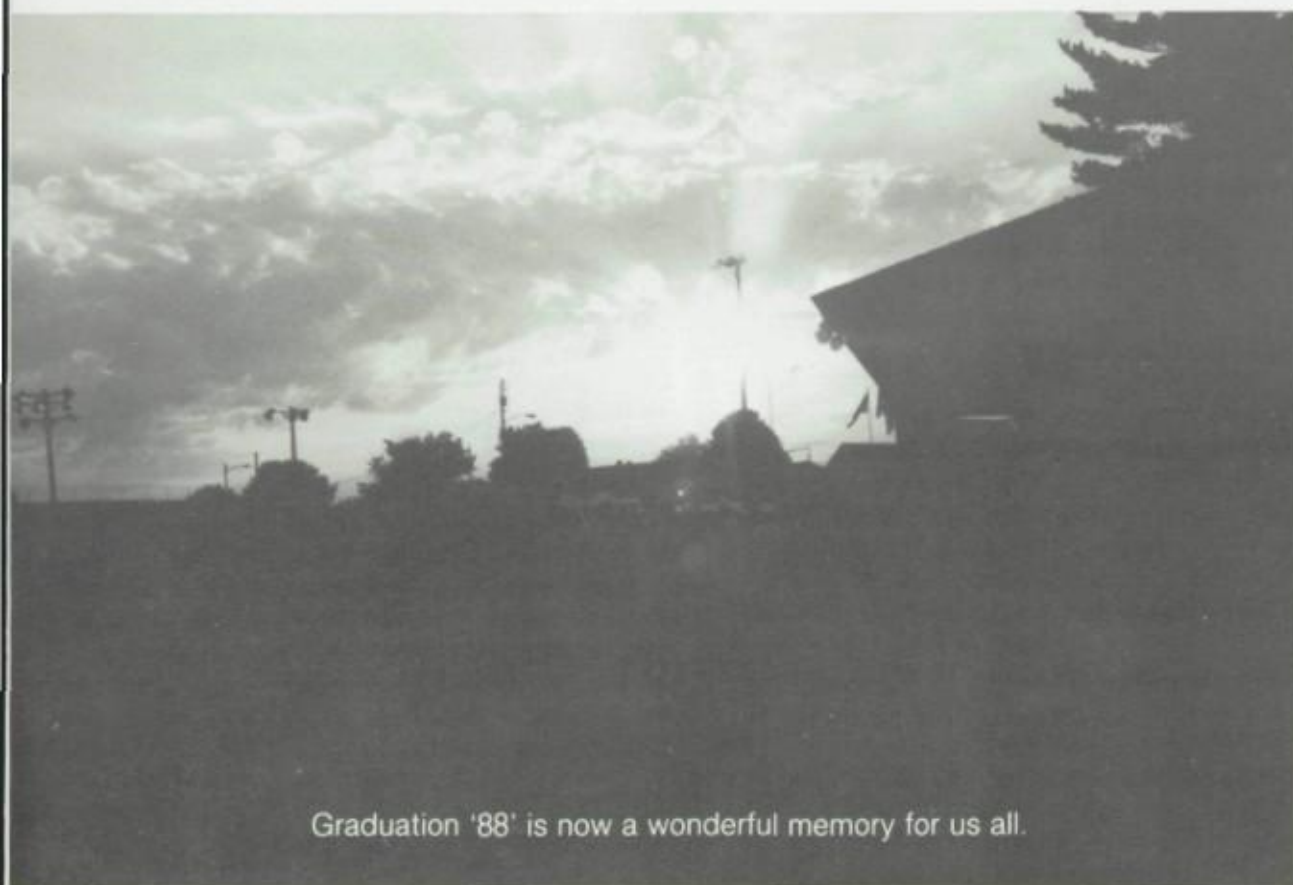

Parting the pavilion, the students of EHS line up for their last appearance.

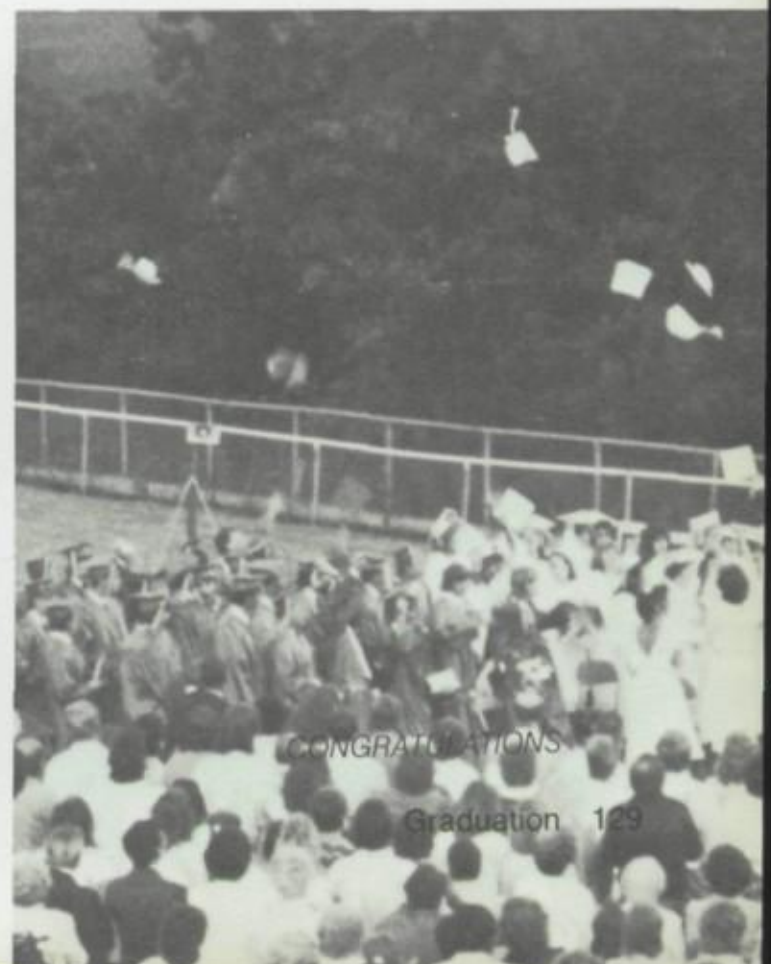

... aaaaaaaand G-R-A-D-U-A-T-E-D!

The gang's all here!

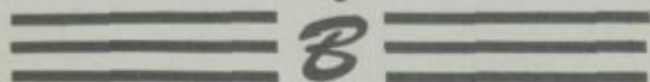

Graduation '88' is now a wonderful memory for us all.

CONGRATULATIONS

How does one thank a group of students for making this year of teaching so pleasurable? I've had an opportunity to watch this years senior class grow, learn and develop into adulthood. I've enjoyed seeing friendships arise — friendships that will last a lifetime. For these things, I will always be grateful. The 1988 class has been a unique group, and I've enjoyed working with them. The dedication of the yearbook is an honor I will always cherish. Thank you class of '88. Kathy McCafferty

The 1988 **EL-HI-AN** was published by 24 staff members, including two editors and one advisor.
TRAINING: The total staff was trained at school, with the exception of Lisa Rupert and Amy Hecker, who attended the Seven Springs Yearbook Seminar in August of '87, sponsored by the Taylor Publishing Company.

PHOTOGRAPHY: Senior portraits by Toy Brothers, MAIZE, and Vivian Johnson. Underclassmen portraits by InterState Studio. Staff photographers: Missy Mitchell, Kelly Claypoole and Shelley Sprankle. Miscellaneous pictures taken or developed by Lisa Rupert, Becki Leshner, Jill Smail, Jeff Stadtmiller, Sherri Cumberledge, Lynne Haught, Erin Rupp, Kathy Bertolino, Marcy Stubrich, Kim Frantz, Amy Hecker, Scarlett Townsend, and Mrs. Weaver.

COST: The total cost of the yearbook was \$21. The students had the option of having their yearbooks personalized with their name on the cover for 1 additional dollar. Due to the overwhelming response to the previous year's candy sale, most students received a discount. Publication costs were covered by yearbook sales, advertising and personal congratulatory ads sold by business staff with additional help from other staff members. There was a 525 press run for a student population of 600.

PRINTING SPECIFICATIONS:

PRINTING: Offset by Taylor Publishing Company, Dallas, Texas.

SIZE: 152 pages on 7 3/4 x 10 1/2 trim on matte 80 and enamel 80 paper

TYPE: Body copy in 6, 8, 10, 12 point Helvetica, Headlines in 24, 36, 48 and 60 point Brush.

END SHEETS: Printed in black and Green

COVER: SBF special blind embossed program — foil stamped on 075 base Black.

SPECIAL EFFECTS: Boldface typeface, overburn and reverse printing.

Special THANKS to:

Steve McKelvey — in-school group and candid pix

Dorothy Albright — A tower to lean on.

To Mrs. Donna Weaver, for all the help and patience she gave to this effort and extra hours she put towards making this, her **very 1st** yearbook, a staggering success!

It was **way** back in the spring of 1986 that Mr. Buchanan casually mentioned that he was thinking of giving up the yearbook, so that he had more time for other interests. Taking on the yearbook "sounded like fun," I said, (to which he will attest). Little did I realize that those words would keep me **so** busy. Since I had never done a yearbook, or was on a staff in high school or college, I had no idea what was involved.

But I survived, because I knew that this was going to be a great yearbook, created by a great staff for a GREAT student body. Most of my staff really did work "above and beyond the call of duty." They gave up study halls, some classes, evenings, and the beginning of their summer vacation, just to get this edition completed.

This was a history making year, both athletically and academically. These pages, are filled with students and activities ... their actions stopped ... the moments frozen in time, forever.

So, I hope we have captured the true spirit of 'The Year of the Cat' at E.H.S., and that you enjoy it even more each time it is looked through.

Thanx,
Mrs. Weaver

This year the 1988 EL-HI-AN yearbook staff has gone through many surprises, struggles, and finally, the success of completing this book. All the hard work and time consumed was **one** of the biggest surprises. After realizing that, most of us who graduated were back at the school **after** graduation, working our little hearts out to complete this fantastic book.

Meeting, deadlines, and getting **some** people to work, were two of the biggest struggles. We almost forgot about our long days and nights of developing pictures ... just so we could go **back** to the school to finish layouts. We, the staff, hope the Seniors and underclassmen will look through these pages with a sense of pride, as you recall the friends and memories that you have experienced during this school year.

We wish you the 'Best of Luck' in years to come.
